CHAMBER**
PITTSBURGH AIRPORT AREA
Connected to the world.

Every Consumer Driven Member **NEEDS** ChamberMail!

ChamberMail is a Chamber Member Exclusive marketing program targeting new residents in our market area. And because you're a chamber member, you are able to participate.

What is ChamberMail?

ChamberMail is a marketing program that puts you in front of every new home buyer in the surrounding communities thus putting you in front of a very lucrative buying audience each month for 12 months. Each month brings new prospects to your business.

Features:

We feature and highlight members on an oversized, full colored, digitally printed postcard with the Chambers logo and information on the front of the card.

Advertising members are allowed access to the mailing list data base each month for 12 months.

You get additional online internet exposure through a link on the chamber's homepage.

Benefits:

Fully executed direct mail program reaching families as they establish buying, shopping and commute habits.

The database of the monthly mailing list is sent to you each month (hot leads).

You're visible online, to anyone visiting the chamber's website, providing unlimited exposure.

All this for less than the price of a postage stamp per household!

Call Chamber Member Services now and see how you can participate in the program.
